The Executive Leadership Program Vision

It is now clear that business and Humanity are sitting at the “tipping point” of redefining the conventional understanding of “Leadership” – in the New Era that is unravelling many disruptions and unique challenges, opportunities, experiences, and exposures.

Women will need more than ever to demonstrate their important Leadership presence -- as they prepare to advance in their careers in impactful ways -- and at the same time stay connected with their Power of Self, demonstrate Resilience, Empathy, and Collective collaboration.

The WILL Women in Leadership Program is designed to prepare and Mentor women executives, professionals and business owners to respond to this new eco-system, that is disrupting the workplaces in new ways, **brought Digital and IA to the forefront of leadership impact**, and demands a combination of new Learning, Adaptability and Agility for success! For over 15 years, the “WILL Women in Leadership program” has certified over **#1500 WILL Mentees** across leading companies—who are now fast-track women in senior leadership positions, CEOs, and Board Directors.

The Program also has a Distinguished WILL Mentoring Faculty of accomplished business leaders, men and women, and a **high-power packed Program Agenda!**

Sessions will focus on the following Leadership Areas;

<ul style="list-style-type: none"> • Understanding “Power of Self!” -- building Confidence, Commitment and Courage in the Digital Era • Embedding Artificial Intelligence into the Leadership Experience
