WILL Fourm India

 **Launching QWILL Women Diaries** that will Feature the many excellent writings of our brilliant women executives and professionals, who are Chartered Accountants, Engineers, Marketing Heads, CEOs, Board Directors — who are doing terrific writing on a range of personal Stories, insights and Lived-experiences -- from second career innings, to individual freedom, finance and Governance, and even some very powerful poetry!

Over the past 2 decades, the WILL Forum has been pollinating the minds of business leaders, communities and stakeholders, and women writing the **Diaries** will:

- ✍️ take accountability for your conviction and belief
- ✍️ be courageous to share it with others
- ✍️ demonstrate the depth of your knowledge
- ✍️ don't worry about any value judgements on your books
- ✍️ be curious about what your writing may show you
- ✍️ leave a legacy for others to read and get inspired

We have long been reading their work with both pride and passion, learning what's on the mind of all the senior women executives when given an opportunity and a space to Write !

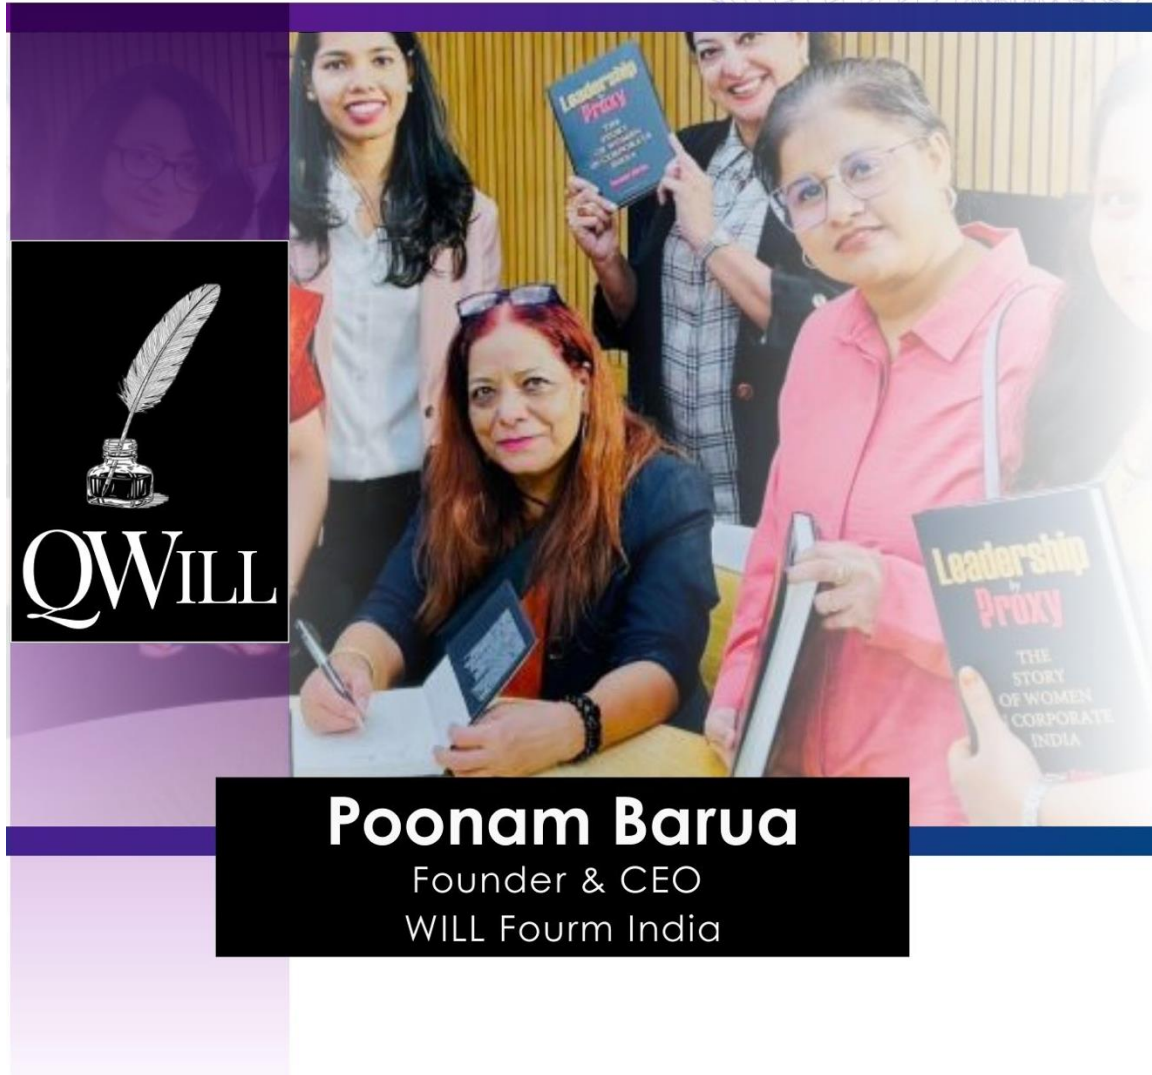

**The QWILL Women Diaries** will be posting twice a month on the highly popular Forum for Women in Leadership - WILL Forum India Linkedin page and other social media—the latest article entries by the women for **QWILL Women Diaries**
