Program Vision and Agenda

With the onset of the New Era of Leadership, there is a clear mandate for having Diverse Boards and Women on Boards, that reflects the ESG mandate, and the diverse markets, consumers, investors and stakeholders. The WILL Forum is hosting the **First-Ever landmark “WILL Corporate Governance Roundtable”** that will bring together the business leaders, CEOs and **aspiring women board directors** for an Open Discussion on issues relating to **Balanced Boards, Sustainable Boards, Impact of Artificial Intelligence AI on Governance and risk management, and making Future Boards** more resilient to the market dynamics. The aim of the Roundtable will be to bridge the Trust-deficit, Data-deficit and Governance-deficit through Distinguished Panel session, group interactions, and collective thought-leadership, that will make companies more agile, resilient and empowered for the New Leadership Era.

The WILL Roundtable will **also Recognize for the First-time** the highly accomplished senior women and Board capable Women — who can add a huge volume of talent, ESG expertise, data-driven decision making, and good governance, with the launching of the distinguished **“WILL Governance Awards.”**

Key Benefits for DELEGATES attending the WILL Corporate Governance Roundtable:
Open for **Women and Men** Delegates:

- The **Opportunity and Platform** to present themselves and their accomplishments to the business community
- Give **Voice and Visibility** to the aspiring Women Board Directors and Women Leaders
- Listen to the thought-leadership of Certified Board Directors on **Corporate Governance**, ESG mandates, Risk Management and AI Impacts on business
- Bring the CEOs, Business Leaders and stakeholders for a **face-to-face interaction** with the aspiring women board directors and Women Professionals
- Give more **confidence and encouragement** to the women in leadership
- Close the **#GenderGovernanceGap** that is critical to **Redefining** New Era of Balanced Leadership
